

## **P006 – Participant Participation Social Inclusion Policy**

---

### **1. Scope**

This policy applies to all participants and all services provided by District 360.

### **2. Purpose**

The purpose of this policy is to ensure that consumers of District 360 have the opportunity to participate as fully as possible in making decisions about their daily lives and the services that they need, want and receive.

### **3. Policy Statement**

District 360 is committed to ensuring that all participants of our organisation retain maximum control over their own lives by having primary involvement in, and influence over, decisions that affect them.

### **4. Procedures**

The following procedures are to be implemented to enable District 360 to meet its policy objective of ensuring that participants have primary involvement in, and influence over, decisions that affect them.

The organisation will:

- 4.1. Structure its programs and services to be as flexible and responsive to the individual needs and preferences of current and future participants.
- 4.2. Advise the participant, family members, primary carers and/or advocates of the full range of services that the organisation currently provides.
- 4.3. Commit the organisation to exploring other service delivery options within the constraints of available resources.
- 4.4. Involve the participant, family members, primary carers and/or advocates in the development of an individual support plan and risk assessment for the participant and invite them to state their preferences with respect to the services that they would like to receive.
- 4.5. Make every effort, within available resources, to accommodate the participant's service preferences and choices in the individual service plan.

### **5. Performance Standards**

The following performance standards must be met to ensure that the procedures specified in Section 4 are implemented effectively:

- 5.1 All participants and their families, primary carers or advocates have been provided with a copy of the organisation's Policy on Decision Making and Choice.
- 5.2 All employees have been provided with a copy of the organisation's Policy on Decision Making and Choice and a staff copy of the policy is kept in the District 360 office.
- 5.3 The organisation's programs and services have been structured in a way as to permit maximum flexibility and responsiveness to individual participants' preferences and choices.
- 5.4 The organisation's full range of services has been portrayed in an easy-to-read hand-out or brochure which is provided to all current and prospective consumers.
- 5.5 A written, current individual service plan has been held for all participants in accordance with the Policy on Individual Needs and a copy has been provided to the participant, family members and advocates.
- 5.6 Written individual services plans have been countersigned by the participant, primary carers, family members and/or advocates.
- 5.7 Individual services plans have been jointly reviewed at least annually or more frequently if requested by the participant, family members or advocates. On a needs basis.
- 5.8 Participants, families, primary carers or advocates have participated in the organisation's strategic planning activities.
- 5.9 Participants, families, primary carers or advocates have participated in the development of the organisation's policies and procedures.
- 5.10 Participants, families, primary carers or advocates have participated in the selection and induction of organisation staff and volunteers.
